

FREE, AND WE COME TO YOU

Taking 5 or more medicines?

You may be able to have an accredited pharmacist visit you at home, go through every medicine you take, and write to your doctor about what they find. It costs nothing.

\$0

No cost to you. Not a gap, not a booking fee, not a travel charge.

1 hr

About an hour, at your kitchen table, at a time that suits you.

0

Trips you have to make. The pharmacist comes to you.

Ask at reception.

Your doctor arranges it. Mention it at your next appointment, or ask the receptionist to put a note on your file.
